The golden void speaks to me  
Denying my reality  
I lose my body, lose my mind  
I blow like wind, I flow like wine

Down a corridor of flame  
Will I fly so high again?  
Is there something wrong with me  
I cannot hear, I cannot see

Down a corridor of flame  
Down a corridor of flame  
Down a corridor of flame  
Down a corridor of flame

Some think the time is past  
The life you lead will always last  
Chaotic fusions of your soul  
Down below that rocky knowle

Through the clouds an open sky  
The wind flows through your watering eyes  
The sounds are pitched to draw you on  
Our never ending journey on

The edge of time  
On the edge of time  
On the edge of time  
On the edge of time  
On the edge of time  
On the edge of time  
The edge of time
