She wore crushed velvet,
jet black and to the floor.
She road on angels wings,
that used to shine,
oh so bright.

Now the dark,
has caught the spark in her eyesand I,
I can?t find the air,

ILL WAIT FOR YOU,
I CROSS MY HEART,
Dissolve and decay,
there?s nothing left for me.

Walk slowly towards the light,
she calling and I?m falling down,
she?s crying (she's crying)
and I am lying ,
about last night, she can?t find,
a way to tell me and I can?t find the air.

WELL ILL WAIT FOR YOU,
I CROSS MY HEART,
Dissolve and decay,
there?s nothing left of me.
This fire?s dying down,
there?s nothing left to see.
(RIGHT NOW)

RIGHT NOW

Dissolve and decay,
there?s nothing left for me.
Sit back and let her die slowly,
don?t cry she didn?t love you any way.
Dissolve and decay,
there?s nothing left for me.
Just try to make it out alive yeah,
alive means your blood is flowing.

RIGHT NOW

Dissolve and decay,
there?s nothing left for me.

RIGHT NOW

This fire?s dying down,
there?s nothing left to see.
