

## Hawthorne Heights "Life On Standby"

Visit "[Life On Standby](#)" on MotoLyrics.com

The distance and my hearts to sand  
Flowing through the hour glass  
Time to let go of all we know  
and break our hearts in stride.

I need you now more like yesterday  
The last day I could see you smile.  
For the last time turn out the lights  
My life on standby.

So standby and watch  
This fall away and fall apart.

Just say that it's over,  
It's over and she's gone.  
(NOW... SHE'S...GONE)

Don't worry he Said,  
and she's not coming home.  
(SHE'S....NOT...COMING...HOME)

It's over and she's gone.

The distance and my hearts to sand  
Flowing through the hour glass.

I fall to pieces, I can't let go  
Of all the times I never said goodbye.

Just say that it's over,  
It's over and she's gone.  
(NOW... SHE'S...GONE)

Don't worry he said,  
and she's not coming home.  
(SHE'S....NOT...COMING...HOME)

It's over and she's gone.

Wake up

WAKE UP! WAKE UP! WAKE UP!

(WAKE UP!) Wake up now it's over...  
(WAKE UP!) Just tell me it's ok to die  
(WAKE UP!) Wake up now it's over...  
(WAKE UP!) Just tell me it's ok to die

Wake up now it's over...  
just tell me it's ok to die  
Wake up now it's over...  
just tell me it's ok to die
