These colors will not change  
You change the way I see them  
These words will fade when you explain  
Why you hate them, we are the same

She keeps repeating  
I bet she needed  
She says she's right here  
She seems so distant

Saying goodbye  
This time, the same old story  
Seeing you cry  
It makes me feel like saying sorry

Just a few last hours  
We gotta make this count  
We're counting backwards

Just a few last hours  
We gotta make this count  
We're falling forward

She keeps repeating  
I bet she needed  
She says she's right here  
She seems so distant

Saying goodbye  
This time, the same old story  
Seeing you cry  
It makes me feel like saying sorry

Saying goodbye  
This time, the same old story  
Seeing you cry  
It makes me feel like saying sorry

Saying sorry, we've fallen apart  
Wish we knew this from the start  
Saying goodbye's the hardest part  
Wish we knew this from the start

Saying goodbye  
This time, the same old story  
Seeing you cry  
It makes me feel like saying sorry

Saying goodbye  
This time, the same old story  
Seeing you cry  
It makes me feel like saying sorry

Saying goodbye  
This time, this time  
Saying goodbye  
Makes me feel like saying sorry
