So here we are
Back to the start again
Trying hard to wait til morning

Hey, Rise and shine
And open up your eyes
To give this world some color
Shine on diamond eyes
Seperate the space between love and lies

And as days go by, the memories remain
I'll wait for you
And as days go by, the memories remain
I won't let go
These days remain the same
Pictures fade away

Please don't ever, change
Please don't change your mind
No matter what they say
I'll always wait

And as days go by, the memories remain
I'll wait for you
And as days go by, the memories remain
I won't let go
These days remain the same
Pictures fade away

Please dont ever change
As you drift through my...veins.
Shine on, Shine on
Diamond eyes
Shine on, Shine on
Diamond eyes
Shine on, Shine on
Diamond eyes

And as days go by, the memories remain
I'll wait for you
