

Hawthorne Heights "Wake Up Call"

Swim through these waters
My lungs collapse as I'm gasping for air
I'll breathe you in
You are my oxygen alone
My love

Through arteries untold
Your skin is pale, my body's cold
Way down, deep down in my lungs
I can hear our sweet decay

So spill my blood
So spill my blood
Midnight skies turn scarlet red

Say so long, say goodnight
And just hold out your hand
To catch me if I fall into the night
Say so long, say goodnight
And just hold out your hand
To catch me if I fall

Everyone and everything
Feels like it slips away
Way down, deep down in my lungs
I can hear you as you fade

So spill my blood
So spill my blood
Midnight skies turn scarlet red

Say so long, say goodnight
And just hold out your hand
To catch me if I fall into the night
Say so long, say goodnight
And just hold out your hand
To catch me if I fall

Wake me up from this nightmare
Wake me up, I know that I am drowning
In the blood

Wake me up from this nightmare
Wake me up, I know I am drowning
In the blood from a pitch black heart

Cut my throat, spill my blood
Cut my throat, spill my blood
Pitch black heart

Say so long, say goodnight
And just hold out your hand
To catch me if I fall into the night
Say so long, say goodnight
And just hold out your hand
To catch me if I fall
