I know that I could be a tease.  
You know that all this smoke is just a screen.  
But in this world today, with all the games we play.  
This one's not so bad.  
Do you really want to be alone tonight?  
I can't help myself, I can't help myself.

### **CHORUS**

When I take of all my clothes,  
and you're standing very close,  
I want you to touch me and we fa la la la...  
When I'm naked I don't care,  
as long as you are standing there  
when I take of all my clothes.  
We fa la la la...

I can dress up like a queen,  
if make believe is what you want from me.  
But any role I play will just be tossed away  
each time I'll make you crazy.  
Do you really want to watch the show?  
If you help yourself, you can help yourself.

### **CHORUS**

Chemistry is not a crime.  
Just for people who keep it all wrapped up inside.  
Who needs formality in sexuality.  
(CHORUS)
