I don't need to
Take this shit from you.
And I don't want you
Calling me up at 2.
Just to tell me that some guy you met who,
While at a party, told you that he loved you.
And I don't Need to know this
Need to know this
And I don't wanna know this
Wanna know this
Tell me the way they are with you
Tell me exactly what they do
Things that you say don't need to proove
That what i have is much to loose.
And I don't need to
Take this shit from you.
And I don't want you
Calling me up at 2.
Just to tell me, that some guy you met who,
While at a party came just looking at you.
And we never should have said that, In September
We shouldn't go away but stay together.
Tell me the way to be with you.
Tell me exactly what to do.
Things that you say don't need to proove,
That what I have is love for you.
For you
For you
