"For Your Glory"

Fighting for the things you gave me
I wanna share enough
Feeling like a wounded soldier
Strength is not enough
And I can't win this battle on my own

The sword has long been buried
Piled on with dirt
Speak to me your promises
Resurrect your word

Cause I can't win this battle on my own
No I can't win this battle on my own

I'll rise up and be your voice
I made my choice.
This is my story.
Your songs are stored inside my heart
So break me apart
It's for your glory.
Let it pour out of me.
Let it pour out of me.
It's for your glory.

So ride out on your wings of love
Show me that you're here
Cast down on my enemies
Trembling with fear

Cause I can't win this battle on my own
No I can't win this battle on my own

I'll rise up and be your voice
I made my choice.
This is my story.
Your songs are stored inside my heart
So break me apart
It's for your glory.

I'll rise up and be your voice
I made my choice.

This is my story.
Your songs are stored inside my heart
So break me apart
It's for your glory.
Let it pour out of me.
Let it pour out of me.
Let it pour out of me.
It's for your glory.
It's for your glory.
It's for your glory.
