Walking by myself thinking how it all went down  
And you thought I went crazy,  
But it just didn't make any sense to keep going.  
(Now I know)  
Yeah, I made some mistakes,  
Time to start doing right.  
(On my own)  
You think you know me!

Chorus:

Doing myself, don't need you to show me how,  
Gonna make my way and I'll do it know!  
This time I won't need help from you,  
That's what I'm gonna do.  
Won't go back, I'mma show you what I'm made of,  
Can't hold me down, cause I'mma rise above you.  
On my own, I can do it alone!  
(I can do it alone!)

It won't be easy,  
I know I have to find the way on my own,  
But how do I get there?  
Just believe in myself so I need to keep going!  
(Now I know)  
You can run from mistakes, turn around make it right!  
(On my own)

I think I know me!

Chorus:

Doing myself, don't need you to show me how,  
Gonna make my way and I'll do it know!  
This time I won't need help from you,  
That's what I'm gonna do.  
Won't go back, I'mma show you what I'm made of,  
Can't hold me down, cause I'mma rise above you.  
On my own, I can do it alone!  
(I can do it alone!)

I'm changing the times when you hold my hand,  
The smiles that you gave me, the things you said.  
But it's changing the way, I don't understand

Do you still â€¦.

Chorus:

Doing myself, don't need you to show me how,

Gonna make my way and I'll do it know!

This time I won't need help from you,

That's what I'm gonna do.

Won't go back, I'mma show you what I'm made of,

Can't hold me down, cause I'mma rise above you.

On my own, I can do it alone!

(I can do it alone!)
