[Verse 1]

Somehow I know I will find a way,
To a brighter day, in the sun
Somewhere I know that he waits for me,
Someday soon he'll see, I'm the one.

[Hook:]

I won't give up on this feeling,
And nothing could keep me away.

[Chorus:]

'Cause I still believe in destiny,
That you and I were meant to be.
I still wish on the stars as they fall from above,
'Cause I still believe, believe in love.
(Na na na, na nana, na na na, na nana)

[Verse 2]

I know what's real can not be denied,
Although it may hide for a while.
With just one touch love can calm your fears,
Turning all your tears, into smiles.

[Hook:]

It's such a wonderful feeling,
I know that my heart can't be wrong.

[Chorus:]

'Cause I still believe in destiny,
That you and I were meant to be.
I still wish on the stars as they fall from above,
'Cause I still believe, believe in love.

[Breakdown:]

Love can make miracles, change everything,
Lift you from the darkness, and make your heart sing
(make your heart sing),
Love is forever, when you fall, it's the greatest power of
all.

[Chorus:]

Oh I still believe in destiny,

That you and I were meant to be.
I still wish on the stars as they fall from above,
'Cause I still believe, believe in love.

Yes I still believe, believe in love.

I still believe in love,
(na na na, na nana, na na na, na nana)
I still believe, believe in love,

I still believe, believe in love.
