They want to kill me

They want me dead  
Please don't hurt me  
Please don't hurt me  
Give me just one day  
To say goodbye to my lover

They want to kill me  
They want me dead  
Please don't hurt me  
Please don't hurt me  
Give me some silence  
One chance to fly  
To my lover

Cause I feel  
Cause I feel so good  
Cause I feel  
I feel so lonely

Don't need to feel the pain  
Don't need to cry...  
Give me some silence  
One chance to fly  
To my lover
