So you think that you're the one who's up in score  
Just cause you're the first one walkin' out the door

Well, take it when you leave

I don't need your sympathy

I'm gonna stay up, drunk on wine

Hurt like hell

Ugly crying black mascara tears

I'm gonna lock my door

Sleep with my phone

Miss you bad for a month or so

But let me tell you somethin', my dear

I'm gonna be just fine, but you're never gonna find

Another love like mine

Oh no, no

See, I think you think that "new" means "better off"  
But the proof's in the pudding once the shine is lost

So go and get yourself

A little taste of somethin' else

I'm gonna stay up, drunk on wine

Hurt like hell

Ugly crying black mascara tears

I'm gonna lock my door

Sleep with my phone

Miss you bad for a month or so

But let me tell you somethin', my dear

I'm gonna be just fine, but you're never gonna find

Another love like mine

It's starting to sound like the good idea

The more we're standin' here

I'm gonna stay up, drunk on wine

Hurt like hell  
Ugly crying black mascara tears  
I'm gonna lock my door  
Sleep with my phone  
Miss you bad for a month or so  
But let me tell you somethin', my dear  
I'm gonna be just fine, but you're never gonna find, no  
I'm gonna be just fine, but you're never gonna find, no  
I'm gonna be just fine, but you're never gonna find  
Another love like mine

Oh no, no  
Never gonna find another love like mine  
Oh no, no
