You know I try to be
All that I can
But there's a part of me
I still don't understand

Why do I only see
What I don't have
When my reality
Its things are not that bad

Your faith has shown me that

When my world goes crazy
You won't let go
When the ground gets shaky
You give me hope
When I try to push you away
You never move, yeah

Now when I start doubting
You help me see
There's a strength, and a mind, and a power in me
Oh believe me thereain't nothing I can't do
My hero is you, yeah
My hero is you

I never saw the way
You sacrificed
Who knew the price you paid
How can I make it right
I know I've gotta try

When my world goes crazy
You won't let go

When the ground gets shaky
You give me hope
When I try to push you away
You never move, yeah

Now when I start doubting
You help me see

There's a strength, and a mind, and a power in me
You believe there ain't nothing I can't do
My hero is you, yeah
My hero is you

And I hope that you can see
You're everything that I wanna be, ooh

When my world goes crazy
You won't let go
When the ground gets shaky
You give me hope
When I try to push you away
You never move, yeah

Now when I start doubting
You help me see
There's a strength, and a mind, and a power in me
Oh believe me there ain't nothing I can't do
My hero is you, yeah
My hero is you

My hero is you
