We've been datin since high school we never once left
this town

We use to go out on the weekends and we'd drink til
we drowned

But now she's acting funny and I don't understand
I think that she's found her some other man

Chorus:

She left me for jesus and that just aint fair
She says that he's perfect how could I compare
She says I should find him and I'll know peace at last
If I ever find jesus I'm kickin his ass

She showed me a picture all I could do was stare
At that freak in his sandals with his long pretty hair
They must think that I'm stupid or I don't have a clue
I'll bet he's a commie or ever worse yet a jew

Repeat chorus

She's given up whiskey and ah takin up wine
While she prays for his troubles she's forgot about
mine
I'm a gonna get even I can't handle the shame
Why last time we made love she even called out his
name

Repeat chorus

It coulda been carlos or even billy ortez
But if I ever find jesus
He's gonna wish he was dead amen
