Yeah, yeah
Oww!
Come on, now

Verse 1

Me and my girls gonna hit the clubs
Go rollin' in my mercedes
One club isn't enough
And we're gonna get wild and crazy (oh yeah)

Fix your makeup, fix your hair
Do a little touchup
And you're everywhere

Chorus

When we're dancing in the club
Don't come and touch, touch, touch
You're touchin' all over me
And when I do that, do this
Don't kiss, kiss, kiss
Kissin' all over me
Cuz I don't roll like that
No

Verse 2

Last club was okay
So we're going on to the next one
It's gonna be my way
Cuz my way is always fun

So when I arrive
And them boys be looking at me
I am flying high

Chorus

When I'm dancing in the club
Don't come and touch, touch, touch
You're touchin' all over me
And when I do that, do this
Don't kiss, kiss, kiss
Kissin' all over me

Yeah, when I'm shaking it
Don't be grabbing it
Cuz it just ain't happenin'
And when I'm chillin'
Get out of my grill and
Leave me alone
So, go!!

Bridge
Boy, I ain't here, too look for love
Just wanna chill and dance
And don't try to change my mind
Cuz' you ain't a chance, no

Chorus
When I'm dancing in the club
Don't come and touch, touch, touch
You're touchin' all over me
And when I do that, do this
Don't kiss, kiss, kiss
Kissin' all over me

Yeah, when I'm shaking it
Don't be grabbing it
Cuz it just ain't happenin'
And when I'm chillin'
Get out of my grill and
Leave me alone
So, go!!

Yeah, yeah
Oh, stop
Touch, touch, touch, touch
Ya keep on touchin' me
Touch, touch, touch....
