You come walkin' round here  
Actin' like we're somethin', ohh  
Then you up and disappear  
And make it real clear that we're nothin'

I've been used  
Damaged by you

[Chorus]  
Oh I've been used, now I'm cryin'  
By you, now I'm dyin'  
Yeah cuz I've been used  
Guess I knew  
Cuz that's what you do

Well if love was just a crime  
You would never do the time  
Now would ya  
Could you love somebody else  
The way you love yourself  
If it suits ya

I've been used  
Damaged by you

[Chorus]  
Oh, I've been used  
Now I'm cryin'  
By you, now I'm dyin'  
Yeah cuz I've been used  
Guess I knew  
Cuz that's what you do

[Bridge]  
I gave you what you asked  
You gave me nothin' back  
Now did ya, ohh  
It's like I was your drug  
Til the fix wasn't enough for you, ohh

I've been used

Damn you

[Chorus]

I've been used now I'm cryin'

By you, now I'm dyin'

Cuz I've been used

Guess I knew

Cuz that's what you do

That's what you do

Oh, I've been used
