I never loved any boy like I loved Johnny Jingo  
I never kissed any boy like I kissed Johnny Jingo  
I'm through with Billy, Willy, Ricky, Dickey, Eddie,  
Freddie  
Got me a brand new steady  
Ooh what he does what he does to my heart when he  
holds me  
Ooh how I love when he whispers in my ear  
This is love, the feeling is zingo, zingo  
I never loved any boy like I loved Johnny Jingo

### INTERLUDE

Ooh what he does what he does to my heart when he  
holds me  
Ooh how I love when he whispers in my ear  
This is love, the feeling is zingo, zingo  
I never loved any boy like I loved Johnny Jingo  
Yeah! I never loved any boy like I loved Johnny Jingo  
I said Jingo
