Abide with me; fast falls the eventide;  
The darkness deepens; Lord with me abide.  
When other helpers fail and comforts flee,  
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;  
Earth's joys grow dim; its glories pass away;  
Change and decay in all around I see;

O Thou who changest not, abide with me.

Hold Thou Thy cross before my closing eyes;  
Shine through the gloom and point me to the skies.  
Heaven's morning breaks, and earth's vain shadows  
flee;  
In life, in death, O Lord, abide with me.
