I don't expect my love affairs to last for long
Never fool myself that my dreams will come true
Being used to trouble I anticipate it
But all the same I hate it -- wouldn't you?

So what happens now?
Another suitcase in another hall
So what happens now?
Take your picture off another wall
Where am I going to?
You'll get by, you always have before
Where am I going to?

Time and time again I've said that I don't care
That I'm immune to gloom, that I'm hard through and
through
But every time it matters all my words desert me
So anyone can hurt me -- and they do

So what happens now?
Another suitcase in another hall
So what happens now?
Take your picture off another wall

Where am I going to?
You'll get by you always have before
Where am I going go?

Call in three months time and I'll be fine I know
Well maybe not that fine, but I'll survive anyhow
I won't recall the names and places of this sad
occasion
But that's no consolation -- here and now

So what happens now?
Another suitcase in another hall
So what happens now?
Take your picture off another wall
Where am I going to?
You'll get by, you always have before
Where am I going to?
