(feat. Andrea Bocelli)

Speak to my heart, tell that you know
The pain of my longing, it seems to whirl
Speak, oh my star,
Tell me if he will come
August night full of desire
Search for my love I hold this fire
Wanting an angel to smile walking by my way

Oh, sometimes it seems so hard
To explain it
But you, my starbright friend
Please tell me if he will stay

Dell'amore non si sa
quando viene o se ne va
dell'amore non si sa

quando sarÃ
da dove arriverÃ

My brother star straight from my dream
speak to me until morning is dawning
Tell me it's true
??

Oh, sometimes it seems so hard
To attain this
But you are who tell me
All things, only the truth

Dell'amore non si sa
quando viene o se ne va
dell'amore non si sa
ma quando amore arriverÃ
tutto intorno cambierÃ
nella notte brillerÃ

Tutto cambierÃ
Tutto rivivrÃ con te
