Pages that I wrote with you  
They still remain  
Words do not change  
I hold them near

Echoing inside my mind  
Are thoughts of you  
They pull me through  
Each troubled time

The melody I hear  
Is ringing pure and clear

[Chorus:]

Le note del silenzio  
Per te adesso canto  
Ricordi d'un perduto amore  
Che io rivivro  
Fino a trovare te  
Sara un incanto  
Sara fermare il tempo  
E dolce vivere di te  
E nel silenzio un canto

Silent nights I sing for you  
Each one a call  
Each one is more  
Than I can bear

Holding out to see your smile  
It lights the world  
Your soul unfurled  
Covers my fear

On gentle winds they wing  
They know it's for you I sing

(Chorus)
