"Songbird"

For you, there'll be no more crying,
For you, the sun will be shining,
Cause I feel that when I'm with you,
Its alright, I know its right

To you, I'll give the world
To you, I'll never be cold
cause I feel that when I'm with you,
It's alright, I know it's right.

And the songbirds are singing,
Like they know the score,
And I love you, I love you, I love you,
Like never before.

And I wish you all the love in the world,
But most of all, I wish it from myself.

And the songbirds keep singing,
Like they know the score,
And I love you, I love you, I love you,
Like never before, like never before.
