Days of burning sun
Watch the colours run
Into pools that catch the eye
Disappear as you pass by

You're my summer rain
You're my summer rain
And I know that I'll see you again
And I know that I'll see you again

Hear my prayer
Answer my call
Breathe life into my soul
I am waiting for you to show
Come and hold me so

You're my summer rain
You're my summer rain
And I know that I'll see you again
And I know that I'll see you again
Dreams of a day with you
Fading away

You're my summer rain
You're my summer rain
And I know and I know and I know that I'll see you again
And I know and I know and I know that I'll see you again
Summer rain
You're my summer rain
And I know and I know and I know that I'll see you again
And I know and I know and I know that I'll see you again
Ah huh ah
Summer rain
Ah huh ah
Summer rain
