Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)

(Dreamin, I'm fallin, Dreamin, I'm fallin)

Lets pretend like it's 98, like I'm eating lunch off of
Styrofoam trays
Trying to be the next rapper coming out the A
Hoping for a record deal, to re-know my pain
Now lets pretend like I'm on the stage
And when my beat drops everybody goes insane (Ok)
And everybody know my name (B.o.B)
And everywhere I go people wanna hear me sang
Oh yea and I just dropped my new album
On the first week I did 500 thousand
Gold in the spring and diamond in the fall
And then a world tour just to top it all off
And lets pretend like they call me the greatest
Selling out arenas with big ass stages
And everybody loved me and no one ever hated
Lets try to use imagination

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)

Ok, lets pretend like this never happened

Like I never had dreams of being a rapper
Like I didn't write raps in all of my classes
Like I never used to runaway into the blackness
Now lets pretend like it was all-good
Like I didn't live starring in a notebook
Like I did the things I probably knew I should
But I didn't have neighbours that's why they call it hood
Now lets pretend like I aint got a name
Before they ever called me B.o.B or a.k.a Bobby Ray
I'm talking back before the mixtapes
Before the videos and the deals and the fame
Before they ever once compared me to Andre
Before I ever got Myspace
Before they ever noticed my face
So lets just pretend and make wishes out of airplanes

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
(And it seems like yesterday it was just a dream, just
memories)

Lets Pretend Marshall Mathers never picked up a pen
Lets pretend things wouldve been no different
Pretend people procrastinated had no motivation
Pretend he just made excuses that was so paper thin
they could blow away wit the wind
Marshall you never gone make it, makes no sense to
play the game it aint no way thatll you win
Pretend he just stand out side all day and play with his
friends
Pretend he even had a friend to say was his friend
And it wasn't time to move in school no changing again
He wasn't socially awakard and just strange as a kid
He had a father and his mother wasn't crazy as sh-t
And he never dreamed he can ripped stadiums he just
lazy as shit
F-ck a talent show in the gymnasium bitch
You wont amount to sh-t quit day dreaming kid
You need to get ya cranium check you thinking like an
alien
It just aint realistic
Now pretend they aint just make him angry with this sh-
t

And there was no one he could even aim when he's
pissed with
And his alarm went off to wake him but he didn't make
it to the rap Olympics
Left to his plane and he missed it
He's gonna have a hard time explaining to Haley and
Laney these food stamps and WIC shit
Cause he never risked sh-t he hoped and he wished it
But it didn't fall in his lap so he aint even hear it he
pretends that

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
