You escape like a runaway train  
Off the tracks and down again  
My hearts beating like a steam boat tugging all your  
burdens  
On my shoulders

In the mourning I'll rise  
In the mourning I'll let you die  
In the mourning all my worry

Now there's nothing but time that's wasted  
And words that have no backbone  
Now it seems like the whole world waiting  
Can you hear the echoes fading

In the mourning I'll rise  
In the mourning I'll let you die  
In the mourning all my sorry's
