(Written by Willie Nelson)

They're working while I'm missing you  
Those healing hands of time  
And soon they'll be dismissing you  
>From this heart of mine  
They'll lead me safely through the night  
And I'll follow as though blind  
My futures tightly clutched within  
Those healing hands of time

They let me close my eyes just then  
Those healing hands of time  
And soon they let me sleep again  
Those healing hands of time  
So already I've reached mountain peaks  
And I've just begun to climb  
I'll get over you by clinging to  
Those healing hands of time

Yes, I'll get over you by clinging to  
Those healing hands of time...
