Pop a top again I've just got time for one more round
Set 'em up my friend then I'll be gone and you can let
some other fool sit down
I'd like for you to listen to a joke I heard today
From a woman who said she was through and calmly
walked away
I tried to smile and did awhile but it felt so out of place
Did you ever hear of a clown with teardrops streaming
down his face
Pop a top again I think I'll have another round
Another one my friend then I'll be gone and you can let
some other fool sit down
All to me is misery and here I'm wasting time
Cause a row of fools on a row of stools is not what's on
my mind
But then you see her leaving me is not what I prefer
So it's either here a drinking beer or home
remembering her
Pop a top again...
