Mmm

La La La La La La La La, La La La La

La La La La La La La La, La La La La

La La La La La La La La, La La La La

Mmm

You were fuckin fooling me once before but i tell you

There's no fooling me twice no more

'Cuz when i open up my curtain, my curtain

Trying to get away with murder, with murder

Yeah, you was fooling me once before

But i tell ya, there's no fooling me twice no more

Stop your pressure, pressure

Check it out, i've got a question, a question

You push this Pinnocchio, Pinnocchio

Who the hell is Gepetto, Gepetto?

Beware of Gepetto

Rap

He was fuckin fooling me once before

But i tell ya, he ain't fooling me twice no more

'Cuz when i open up my curtain, my curtain

He can't get away with murder, with murder

Know what i'm sayin'?

Can't fool me again

Won't trip on games you play, i know your game

Won't fool again

Won't trip on games you play, i know your game

You can fool me once, but you can't fool me two times

'Cuz i got three eyes, one is on the left side

Get it from the right inside

Right in on the inside

'Cuz i can see you outside trying to come in

La La La La La La La La (You can't fool me)

La La La La La La La La (You can't do it)

La La La La La La La La (Can't run through me)

Mmm, yeah

La La La La La, La La La La La shit

Sometimes we need two chance
Two chance to change
And leave the past behind
Leave the past behind, love shall we?
Look into the future, look ahead
That's right
