OH!
Dead Execs
This is the one right here
La la la la la la la la
OH!
La la la la la la la la
We gonna make it pop
La la la la la la la la
La la la la la la la la
Tell it to them girls

Some boys kiss me, some boys hug me
I think they're okay
OH!
If they don't give me proper credit
I just walk away (I just walk away)

They can beg and they can plead
But they can't see the light (They can't see the light)
'Cause the boy with the cold hard cash
Is always Mister Right
'Cause we are

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
La la la la la la la la
La la la la la la la la
Material

Some boys romance, some boys slow dance
That's all right with me (That's all right with me)
If they can't raise my interest then I
Have to let them be

Some boys try and some boys lie but
I don't let them play (I don't let them play)
Only boys that save their pennies
Make my rainy day
'Cause they are

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
OH!
Material
Living in a material world
OH!
Living in a material world
OH!
Material
Living in a material world
There you go

Boys may come and boys may go
And that's all right you see
Experience has made me rich
And now they're after me
'Cause everybody's

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

La la la la la la la la
La la la la la la la la

A material
A material
A material
A material world

La la la la la la la la
La la la la la la la la
