You need my love baby, oh, so bad  
You're not the only one I've ever had  
So if you say you're gonna set me free  
Don't you know you'll be in misery

They call me Dr. Love  
Calling Dr. Love, calling Dr. Love  
I've got the cure you're thinkin' of  
Calling Dr. Love

And even though I'm full of sin  
And in the end you'll let me in  
You'll let me through, there's nothin' you can do  
You need my lovin' and yeah ya know it's true

So if you please get on your knees  
There are no bills and there are no fees  
Baby, I know what your problem is  
The first step of the cure is a kiss

They call me Dr. Love  
Calling Dr. Love, calling Dr. Love  
I've got the cure you're thinkin' of  
Calling Dr. Love  
Okay sir

Oh, let me testify then

They call me Dr. Love  
Calling Dr. Love, calling Dr. Love  
I've got the cure you're thinkin' of  
Calling Dr. Love, yeah

Hey call me Dr. Love  
Calling Dr. Love, calling Dr. Love  
Dr. love, calling Dr. Love
