Baby, when I think about you, I think about love
Darling, I don't live without you and your love
If I had those golden dreams of my yesterday
I would wrap you in the heaven, feel it dying on the way

I feel like making
I feel like making love, I feel like making love
I feel like making love, I feel like making love to you

Baby, if I think about you, I think about love
Darling, if I live without you, I live without love
And if I had the sun and moon, and they were shining
I would give you both night and day, love satisfying

I feel like making
I feel like making love, I feel like making love
I feel like making love, I feel like making love to you

And if I had those golden dreams of my yesterday
I would wrap you in the heaven, feel it dying all the way
I feel like making
I feel like making love, I feel like making love

Oh baby, I feel like making love, I feel like making love
to you
Feel like making love, oh baby, I feel like making love
Feel like making love, I feel like making love to you
