Whiskey, gin and brandy, with a glass I'm pretty handy  
Tryin' to walk a straight line on sour mash and cheap  
wine

So join me for a drink boys  
Yeah, we're gonna make a big noise  
Don't worry about tomorrow, take it today  
Forget about the check, we'll have hell to pay

Have a drink on me  
Have a drink on me  
Aw, have a drink on me  
Yeah, have a drink on me

Dizzy, drunk and fightin' on tequila white lightnin'  
My glass is gettin' shorter on whiskey, ice and water  
So come on have a good time  
And get blinded out of your mind  
Don't worry about tomorrow, take it today  
Forget about the check, we'll have hell to pay

Have a drink on me  
Yeah, have a drink on me  
Yeah, have a drink on me  
Have a drink on me  
Get stoned

Have a drink on me  
Have a drink on me  
Have a drink on me  
Have

Gonna roll around, gonna hit the ground  
Take another swig, have another drink  
Gonna drink it down, gonna get me high  
Come on all the boys make a noise

Have a drink on me (have a drink on me)  
Aw, have a drink on me (have a drink on me)  
Have a drink on me (have a drink on me)  
Have a drink on me  
Have a drink on me

Have a drink on me
