I saw her dancin' there by the record machine
I knew she must have been about seventeen
The beat was goin' strong, playin' my favorite song
I could tell it wouldn't be long 'till she was with me,
yeah me
Tell it wouldn't be long 'till she was with me, yeah me

Singin' I love rock and roll
Put another dime in the jukebox baby
I love rock and roll
Come and spend your time and dance with me

She smiled so I got up and asked for her name
But that don't matter she said cuz it's all the same
She said can you take me home, where we can be
alone
And next we're moving on, and she was with me, yeah
me
Next we were movin' on, and she was with me, yeah me

Singin' I love rock and roll
Put another dime in the jukebox baby
I love rock and roll
Come and spend your time and dance with me

And next we're moving on, and she was with me, yeah
me
Movin' on and singing that same old song, yeah with
me

Singin' I love rock and roll
Put another dime in the jukebox baby
I love rock and roll
Come and spend your time and dance with me

I love rock and roll
Put another dime in the jukebox baby
I love rock and roll
Come and spend your time and dance with me

(Repeat)

Come and spend your time and dance with me
Come and spend your time and dance with me
Come and spend your time and dance with me
