Gen'rals gathered in their masses, Just like witches at black masses Evil minds that plot destruction, Sorcerer of death's construction In the fields the bodies burning, As the war machine keeps turning Death and hatred to mankind, Poisoning their brainwashed minds Oh Lord Yeah!

Politicians hide themselves away They only started the war Why should they go out to fight? They leave thier role to the poor, yeah

Time will tell on their empower minds, Making war just for fun Treating people just like pawns in chess, Wait 'til their judgement day comes, yeah

Now in darkness world stops turning, Ashes were the bodies burning No more War Pigs have the power, Hand of God has struck the hour Day of judgement, God is calling On their knees the War Pigs crawling, Begging mercies for their sins Satan, laughing, spreads his wings Oh Lord Yeah!
