Well I think, that you're really really cool,
And I think that your body does rule,
That's why I wish, I was you
So I could fuck me, me, me, me.
Well I know, that I do kick ass in bed,
And I would give my ownself head,
If I could, be you
So I could fuck me, me, me, me.

I'd like to sacrafice your persona,
On the altar of my balona.

Well I would treat me like a God,
And I would worship my own rod,
If I could, be you
So I could fuck me, me, me, me.

I'd like to sacrafice your persona,
On the altar of my balona,
Cuz sometimes, when you ain't got nobody to love ya,
Ya just gotta love yourself.

Well I think, that you're really really cool,
And I think that your body does rule,
That's why I wish, I was you
So I could fuck me, me, me, me.

Yeah I would, I would, I would, I would,
I would, I would, I would be you
So I could fuck me, me, me, me.
Yeah I would, I would, I would, I would,
I would, I would, I would be you
So I could fuck me, me, me, me.
