She was a fast machine, she kept her motor clean  
She was the best damn woman that I ever seen  
She had the sightless eyes, tellin' me no lies  
Knockin' me out with 'dem 'Merican thighs

Takin' more than her share, had me fightin' for air  
She told me to come, but I was already there  
Yeah, the walls was a shakin', the earth was a quakin'  
My mind was achin', and we was makin' it

And you shook me all night long  
Let me tell ya now, you shook me all night long

Workin' double time on my seduction line  
She's one of a kind, she's just mine all mine  
Wantin' no applause, just a matter of cost  
Made a meal out of me, and come back for more

Had to cool me down to take another round  
Now I'm back in the ring to take another swing  
Yeah, the walls was a shakin', earth was a quakin'  
My mind was achin', and we was a makin' it

And you shook me all night long  
Have mercy Lo', you shook me all night long  
You really took me, and you shook me all night long  
Knocked me out, I said you shook me all night long  
Yeah, you shook me, yeah, you really took me

Let me tell ya now you shook me all night long  
You really took me, and you shook me all night long  
You knocked me out, and you shook me all night long  
You really took it, and you shook me all night long  
Yeah, you shook me, you really took me all night long
