A coward dies a thousand deaths  
But a soldier just one

unhh. Now I'm the only one noone expected to continue  
makin records  
But I'm standing where I'm standing Because I did the  
unexpected  
You can dislike me but I will not be disrespected  
Not in Tennessee, or Nyc, Los Angelos or Texas. You got  
a style  
Come see mee when it's perfected I put my money into  
working  
I love me a good investment  
But if you made a record I think people would eject it  
Cause you don't  
sound all that hungry and your work ethic is suspect
