Just Wanna Spend The Rest Of My Life With You We Go
Bonnie Be My Clyde We Make These Cowards Run And
Hide And I Just Wanna Spend The Rest Of My Life With
You Through The Good Times And The Bad Boyfriend
Girlfriend Mom And Dad Well I Search For A Chick Like
Me Who Blows Dro Cuz She Can Appreciate How The
Sticky Burns So Slow You Know A Young Chick With A
Old Soul Set Through The Fire Just To Hold Hands While
The Coals Glow Ill Build A House Around Her We Could
Fill It With Seeds And Be Like Adam And Eve In The
Garden Of Eden We Can Grow Old Watch It Rain And
Snow And See The Sun Rise And Fall Over Yonder No
And When The Coals Burn Out Cuz One Of Us Is Gone
And The Other Is Broken Hearted Left To Live Life
Alone You Used To Listen To Me Complain About My
Real Bad Days Rub My Neck And My Back And Make It
All Go Away Always There With An Encouraging Word I
Couldnt Imagine Having To Be Here Without Her And
Im So Scared Of Losing You And She Say Boo Boo Im
Never Gunna Leave You And

Then She Sang To Me Just Wanna Spend The Rest Of My
Life With You We Go Bonnie Be My Clyde Well Make
These Cowards Run And Hide And I Just Wanna Spend
The Rest Of My Life With You Through The Good Times
And The Bad Boyfriend Girlfriend Mom And Dad Well
Uh Lil Momma Your Eyes The Candle Light Magnumfies
Hazel Turned Grey Then Bluer Than A Summer Day
Baby Wanna Run Away Far Away To Some Other Place
Where We Can Lay Tangled In One Anothers Embrace
By The Fire Blaze Here Were Old And Gray From Rock A
Ware To Rockin Chairs Whatever You Need Just Call
And Imma Be There Wasnt Prepared To Lose You It
Hurt Me So You Were Addictive And Letting You Go And
No Walk Through The Park I Remember The Nights I
Just Sat There In The Dark Pistol Beside Me Ready To
Use It Right In The Head And The Buck Wild Head
Bunch Wrote Music And Then I Remember Somethin
You Once Said Layin Next To Me Naked Breathin Heavy
In The Bed You Said Just Wanna Spend The Rest Of My
Life With You Through The Good Tim

Es And The Bad We Go Bonnie Be My Clyde We Make
These Cowards Run And Hide And I Just Wanna Spend
The Rest Of My Life With You Through The Good Times
And The Bad Boyfriend Girlfriend Mom And Dad Well
Uh Police Pull Us Over Im Squeaky Clean Haha 28
Grams In Your Bra While I Blaze The Haze As We Rode
Off How Could You Be So Hard And Still So Soft All The
Nights When We Used To Ride You Held My Tone Got
My Name Tatted Right Above Your Pelvic Bone My Luck
Uh Middle Soprano All Of My Heart Homacide
Detectives Have To Pry Us Apart Who'd Of Thought
We'd Part The Way That We Did Just A Few Short Months
After Making A Kid Does Your New Man Do It Like That
Candle Wax Down The Small Of Your Back Does He Bite
Your Neck Does He Nibble On Your Collar Bone Do You
Still Think About Me When Your All Alone You Used To
Grab You And Hold You Tight And He'd Of Been Back
Tomorrow But Its Cold Tonight Just Wanna Spend The
Rest Of My Life With You We Go Bonnie Be My Clyde We
Make These Cowards Run

And Hide And I Just Wanna Spend The Rest Of My Life
With You Through The Good Times And The Bad
Boyfriend Girlfriend Mom And Dad Well Just Wanna
Spend The Rest Of My Life With You And I Just Wanna
Spend The Rest Of My Life With You
