(talkin)

the south killed hip-hop? where they say dat at, better not say 'round me. lemme go on an adress dat while im in tha studio cuz these days..check check..

verse 1

studio im so not wit cuz i got a hustle dat wont permit it im so commited and dont forget it im quit wit it get it quit wit it  
like mike vic wit it if i did i did it it take a bigger man just speak up an admit it im guilty as charged an da sentence is pendin in tha mean time can i try to get me a million  
buildin somethin for my childrens children u really think im considerin your sensitive feelins boy dont you kno i put out mix-tapes dat'll make u go home an erase ya myspace lyrics un-cut luk they came in brick tape think im poppin off now uh-uh jus wait dont let da gucci loafers an da polo sweater make ya think im boogey cuz u kno better

(chourus)

im southern by blood not realtion u got a problem wit da south when u see me say sump'n say sump'n say sump'n when u see me say sump'n say sump'n say sump'n when u see me say sump'n (repeat)

verse 2

now dat u see im 4real do u needa see da steel must it get pulled out an put up to ya grill if need be people can get killed but u and i both know its not da real but it can be u understand me u involve family an we movin to plan b catch em at da after party send someone to meet & greet em walk up on em how u doin 9 millimeter-meter em  
jesus keep me focused in a direction of righteousness i dont exist for dis petty-ness im think ima jus let it ride like da water off a duck back u say one more bout em umumum  
loose my disposition on it change my position on it people throwin bricks at it pullin out pistols on it take ya state an carve my initials on it bandana ya block down

looks real official dont it  
(repeat chorus x2)

verse 3

a moment in time im turnin to ya reprocusions father  
forgive me they thought dat i was bluffin  
i was holdin da cards they was bettin dat i wasnt put  
they chips in da pot & i royally flushed em  
no more discussin politics im clickin on da first to  
speak hit em wit dat urgency 911 emergency surgery  
either for u or for me cowards buildin it up an dats how  
its suppost to be  
im on a mission non-stop stackin dat cash finish up  
positions your first an your last i see em on da internet  
talkin dat trash which is weird cuz in real life they not  
dat bad  
razzmatazz abracadabra shavazz if u paid to get in  
there i hope you havin a blast if u got some kinda go on  
an rush da stage cuz i promise you'll like my music  
more then punches in da face

repeat chorus x2
