Life is a struggleBaby you got to chooseHear the call of
the wild windWhat have you got to loseSo take off that
coat and kick off those crazy shoesI can see by your
smile that you're readyWell I'm ready too
Oh life is a puzzleBaby you've got to tryBut don't let it
get youDon't let it pass you by'Cos here and now
darlingHere and now you got meAnd something inside
me tells me it's meant to be
Will it be alrightI'm getting a message from
someoneWill it turn out rightIt's not just a face in the
crowdIt's not just a face in the crowdFace in the crowd
Will it be alrightI'm getting a message from
someoneWill it turn out rightIt's not just a face in the
crowdIt's not just a face in the crowdFace in the crowd
Life is a struggleBaby you got to chooseHear the call of
the wild windWhat have you got to loseSo take off that
coat and kick off those crazy shoesI can see by your
smile that you're readyWell I'm ready too

So just close your eyesI'm getting a message from
someoneThrough a clear blue skyIt's not just a face in
the crowdIt's not just a face in the crowdFace in the
crowd
