Now this ain't the best number I ever wrote  
But I wrote it for you  
And you alone  
Now these aren't the best words  
That I ever spoke  
But I'll say them to you  
And you alone

Thousands of people  
Dream songs every night  
And these worn out chords  
Go on working for me  
Still you keep on asking me  
Where is the Eden that we've dreamed of  
So many times we've been denied  
But we can say that we're in love  
Oh yes  
Oh yes

Now thousands of people  
Dream songs every night  
But these worn out chords  
Go on working for me  
Still you keep on asking me  
Where is the Eden that we've dreamed of  
So many times we've been denied  
But we can say that we're in love  
Oh yes  
Oh yes  
Da da da da da da da

Still the same
