Verse 1 find some time for the right time find some time for excuses find some time for the right time find some time for uses. Chorus "I... I never wanted." Verse 2 find some kinda of reducer make us all kinda looser I'm wound to tight don't spill me I knew a friend out to kill me. Chorus "I... I never wanted... no I... I never wanted" Verse 3 staying glued to the hot line got more lies than I got time now were friends on your time I'm not equipped with a rewind. Chorus "I... I never wanted." Verse 4 Say you got what you wanted a perfect dream cause your so cool flying high with the aces I can't stack up my spaces. Chorus "I... I never wanted... no I... I never wanted."
