I've been a fool to let you do the things you did to me
And it's easier bein' lonesome now than it used to be
Now that I am a lonely man from all that we've been
through
I'm just doin' what comes easy to a fool

Chorus:

I'm just doin' what comes easy, And it's not that hard to
do
Cause I would rather be lonesome than spend another
day with you
Leavin' you is easy, 'cause lovin' you was cruel
So I'm doin' what comes easy to a fool.
I need a chance to stop the dance and sit one out alone
I'm a fool who wound up lonesome but I'm better off on
my own
We know it's wrong , we can't go on, and make each
other blue
So I'm doin' what comes easy to a fool
