The bridge washed out and I can't swim and my baby's
on the other side

When I awoke this a morning the rain was a pouring
down
I was gonna wed the little river girl just over the bridge
across town
Now I'm a runnin' up and down the river and my
nerves're drivin' me wild

Cause the bridge washed out I can't swim and my
baby's on the other side

Rain oh rain stop a fallin' dark clouds hurry from the
sky
The preacher and my bride're waitin' and the weddin'
bells're startin' to chime
I can't kiss and hold her and it's drivin' me out of my
mind

Cause the bridge washed out and I can't swim and my
baby's on the other side

[Break]
Now I got one foot in the water the one foot solid on the
ground
I try to swim that ragin' old river but I know if I try I'd
drown
There's not a boat around me they walked on out with
the tide

And the bridge washed out and I can't swim and my
baby's on the other side

Rain oh rain stop a fallin' dark clouds hurry from the
sky
The preacher and my bride're waitin' and the weddin'
bells're startin' to chime
I can't kiss and hold her and it's drivin' me out of my
mind

Yeah the bridge washed out and I can't swim and my

baby's on the other side
