It's five in the mornin', my whole body's yawnin'
I wish I was safe in my bed
But I've got these feelin's, I'm wrecked and I'm reelin'
I can't get that blue out of my head

Starin' outside, it's a smokey blue sky
As the night gears to dawn
And the blue gets bluer like the color of your eyes
When I was in your arms

And you look that way, and you talk that way

It's five in the mornin', my whole body's yawnin'
I wish I was safe in my bed
But I've got these feelin's, I'm wrecked and I'm reelin'
I can't get that blue out of my head

A number is rolled, it will numb my emotionals
Eat up the chocolates you brought for me
And the boozin' and the smokes yeah
They're poor substitutes for all that we need

Just a little love, and the human touch

It's five in the mornin', my whole body's yawnin'
I wish I was safe in my bed
But I've got these feelin's, I'm wrecked and I'm reelin'
I can't get that blue out of my head

It's five in the mornin', my whole body's yawnin'
I wish I was safe in my bed
But I've got these feelings, I'm wrecked and I'm reelin'
I can't get that blue out of my head

It's five in the mornin', my whole body's yawnin'
I wish I was safe in my bed
But I've got these feelings, I'm wrecked and I'm reelin'
I can't get that blue out of my head

It's five in the mornin', my whole body's yawnin'
I wish I was safe in your bed
