Save me from my darkness
Agus an bothair dubh
I've been out here a long time
Since I left you

Simple minds for simple monies
Where the work is where they pay
You reach beyond this tide of stones
And it don't matter anyway, anyway

Been gone too long
And I don't know if I'll ever make it back again
I remember how I left you, I remember how you looked
Could you save me, would you save me from my
darkness?
Agus an bothair dubh

With heavy heart the boat was leaving
I thought, I saw you at the quay
But the mist came in thick between us then
And you were lost to me, lost to me

Been gone too long
And I don't know if I'll ever make it back again
I remember how I left you, I remember how you looked
Could you save me, would you save me from my
darkness?
Agus an bothair dubh

I promised, I would be returning
Just to be with you again
And it's not that I forgot you, love
I guess, I just lost my way, lost my way

Been gone too long
And I don't know if I'll ever make it back again
I remember how I left you, I remember how you looked
Could you save me, would you save me from my
darkness?
Agus an bothair dubh
