Your script, it was perfect, perfect seduction line
Lines like I will back you up
Up to when I needed you I really believed in you

It hurt when you had no time
No time to spare for me and me
I've been there before, done it, got the T-shirt
Read the book and seen the movie

Na na na, na na na, don't need this no more
Na na na, na na na, I could change the score
Na na na, na na na, don't need this no more
Na na na, na na na, I could change my thoughts

And the past has no power, no power over me
'Cause I'm changing
'Cause I'm willing to, I'm willing to learn
And I'm willing to be free

Na na na, na na na, don't need this no more
Na na na, na na na, I could change the thought
Na na na, na na na, don't need this no more
Na na na, na na na, I could change a thought

Like I'm thrilled to find I'm going through
This great adventure
'Cause this time I know I will never have to go through
The same experience again

Words come cheap and easy, it ain't what you say
It's what you do that matters
And it matters that I have been deceived
Deceived, I had the strength to forgive you when I
leave

Na na na, na na na, don't need this no more
Na na na, na na na, I could change the score
Na na na, na na na, don't need this no more
Na na na, na na na, I could change the thought

Like I'm thrilled to find I am going through
This great adventure

'Cause this time I know I will never have to go through
The same experience

I'm thrilled to find I am going through
This great adventure
'Cause this time I know I will never have to go through
The same experience again
