O Lord, can you hear me?  
I have fallen hard on this road  
I have overspent my strength  
Put my faith in all the wrong places

O Lord, could you lend me a hand?  
O Lord, could you lend me a hand?

And maybe steer me through  
So I can find my way back to you  
And help me lose my prejudice  
And maybe I can learn to forgive

I am such a foolish one  
I forgot to call on you, so long  
I got caught up, I got bought up by illusion  
Of this material world

O Lord, could you give this girl a hand?  
O Lord, could you give me your hand?

And maybe steer me through  
So I can find my way back to you  
And help me lose my prejudice  
And maybe I can learn to forgive

O Lord, would you lend me a hand?

And maybe steer me through  
So I can find my way back to you  
And help me lose my prejudice  
And maybe I can learn to forgive

O Lord, could you lend me a hand?  
O Lord, could you lend me a hand?  
O Lord, would you lend me a hand?  
O Lord, could you lend me a hand?

Would you please help me?  
Would you please help me?  
Would you please help me, would you please?  
Could you please, could you please?
