Sunshine get comfortable
cuz Im feelin' blue today
Im kinda glad to see the rain
im fine here all alone
but I cant enjoy it with you
cuz im really missing you

as these days go by
I want you more
thinking of the way
you were before
everytime I try
it seems so hard
theres no way to mend a broken heart

somedays I play the part of a woman
who dont need a dude
but god knows that aint the truth
i cant deny his heart
but i dont know what else to do
cuz im really missing you

as these days go by
I want you more
thinking of the way
you were before
everytime I try
it seems so hard
theres no way to mend a broken heart

Happiness seems like its so far
cuz you dont love me
how will i ever mend my heart
happiness seems like its so far
cuz you dont love me
how will i ever mend my heart

as these days go by i want you more
thinking of the way you were before
everytime i try it seems so hard
theres no way to mend a broken heart
